### ANZAC DAY CEREMONY

The Club performed its own ANZAC Day Commemorative Service prior to teeing off. In the Ceremony, Gordon Gullery, Men's Club Captain, spoke on the devastation of the Gallipoli Peninsula campaign and Northland's links to the provision of young servicemen, many of whom did not survive and were not returned home. *Lest We Forget.*

After the Service the tournament commenced under fine weather with a mixed field of 81 players. It was a very competitive field and there were some impressive scores in various categories. The Men's Division One Best Gross was won this year by Iain Power (1.2) on 69 (2 under par) - well done Iain! Congratulations to all winners and if you have not received your prize please call in to the Golf Shop.

**Of special note is Tara Burnley who achieved a hole in one on the 16<sup>th</sup> hole – congratulations.**

## COLOURED TEES

It's all about the colour now. If you've been out on the course lately, you might have noticed some new **Red** tees joining our lineup alongside the **Blue**, **White**, **Yellow**, and **Purple** tees we already have. Traditionally, we've had "men's" and "women's" tees, right? But each set of tees on our course is rated for both men and women for handicap purposes. What does that mean for you? Well, it means there's no need to stick to designated tees based on gender anymore. Nope! Everyone can now pick a tee that suits their game best. It's all about having fun and playing your best round ever! So next time you're teeing up, feel free to choose whichever tee speaks to you. Let's tee off and make every round a blast!
