### AVOCA

Our golf club is indebted to many companies who not only provide cash sponsorship but also provide product and services. One such company that has been very generous in supplying the lime rock for many of our paths on the course is Avoca.

Avoca specialises in lime and fertilisers, but also offers many other products and services which includes professional advice on soil fertility and fertiliser management. A huge thanks to Bryce and the team at Avoca.

### CHANGES: LOCAL RULES

The next lot of DotGolf Electronic Scorecards is about to be produced. These cards will have the reviewed standing local rules on the back. Note that temporary local rules will continue to be displayed on the inside of the score card and on the Shop external whiteboard.

### LOST PROPERTY

After two weeks, on 14 Apr, the lost property will be removed from the Shop so come have a look today.

### RULES OF GOLF 2023

Many of us have applied a rule because others have used the rule but not really knowing if a rule is correct. For example, playing a provisional ball when you know 98 percent that your ball entered a red penalty area. The practice has "become the rule" in many cases, when in fact the use of a provisional ball in this case is not an option. There is a penalty for doing this – what is it?

North Golf has offered clubs the opportunity to have a qualified referee visit and conduct a theory and practical session on rules issues and the application of rules in general.

The date has yet to be confirmed but will be in April on a Thursday. If you would like to attend and improve your knowledge and ability to play golf please advise the Men's Club Captain on [sparten39@gmail.com](mailto:sparten39@gmail.com) or via message to 0210588978. Good Golfing!

### PENNANTS - PLAYERS NEEDED

A Pennants Team consists of six players and many reserves participating in a match-play competition. From time to time players and reserves cannot be available and one such time is on Sun 18 May for the 18-Hole Pennants team. Note that this is the same day as the Lion Tour final at Northland Golf Course. If you can be available please advise the team Captain, Mike Young via e-mail ([mike@wordcom.nz](mailto:mike@wordcom.nz)) or message on 0274337027.

Please assist the Club in maintaining a strong presence in a popular interclub event.
